

Making Education Work for Everyone

WHEREAS a strong education system is the cornerstone of a healthy and diverse economy;

WHEREAS education must prepare young people for the future;

BE IT RESOLVED that the Saskatchewan Liberal Party will reform the education system in the following ways:

1. Engage with industry leaders and trade associations to identify key skills and knowledge missing from the curriculum;
2. Expand the curriculum to include practical education to prepare students for entry into specific fields, in addition to the core curriculum;
3. Incorporate practical life skills training into the core curriculum.
