

Recognition of Transgendered Gender Identity

WHEREAS under the Saskatchewan Human Rights Code, discrimination and harassment because of gender identity or gender expression is against the law;

WHEREAS everyone should be able to have the same opportunities and benefits, and be treated with equal dignity and respect including transgender, transsexual and intersex persons, cross-dressers, and other people whose gender identity or expression is, or is seen to be, different from their birth sex.

BE IT RESOLVED that the Saskatchewan Liberal Party recognize the gender identity of all transgender individuals.

BE IT FURTHER RESOLVED that the Saskatchewan Liberal Party will recognize gender identity for transgender people in all government identification;

BE IT FURTHER RESOLVED that the Saskatchewan Liberal Party will call on the federal and provincial government to update all laws and statutes to recognize transgender individuals.
