

24. Increase Funding Allocated to Saskatchewan Urban Police Forces

Whereas Saskatchewan police forces see cuts in their operating budget by the Saskatchewan Ministry of Corrections, Policing and Public Safety;

Whereas more funding is needed to help their service with the necessary human, and non-lethal approach to diffuse and ease violent encounters as they carry out their duties to protect and serve our Saskatchewan communities, residents, residents' properties, and businesses;

Be it resolved the SLP provide our Saskatchewan urban police forces with an agreed upon funding increase to serve its raison d'être to serve and protect.
